

La Cultura della Qualità.

Oleificio Sabo is a traditional company in the Swiss food industry with headquarters in Ticino and production facilities in Horn (TG). We produce and refine edible oils and textured soy products, which are marketed both under the Sabo brand and as private label products.

For our team at the production site in Horn (TG) we are looking for you as:

## **IT/OT Administrator Engineer (m/f) 60-80 %**

### **Main Responsibilities:**

- Running regular checks on network, systems, and data security
- Identifying and acting on opportunities to improve and update IT/OT systems
- Overseeing and determining timeframes for IT/OT projects including system updates, upgrades, migrations, and outages
- Support Company's digital transformation (DX) needs while preserving IT/OT organizational policy, operational efficiency, and system integrity
- Design, installation and commissioning of network, security, and server systems for back-office (IT) and production (OT)
- Troubleshooting network and system issues and responding to general IT/O requests of support
- Manage external suppliers and contractors rendering services and solution for IT/OT.

### **Required qualifications and skills:**

- Minimum 3 years of proven experience in system and network administration on small/medium companies with at least 80 IT users and a production facility with pervasive use of IT for operation support (OT)
- Effective communication in English and German (both written & verbal)
- Proven experience in system engineering and network engineering
- Proven experience in configuration, maintenance and troubleshooting of server infrastructures
- Competencies Microsoft Windows server and clients administration
- Competencies IP networking and internetworking (network design, router, firewall, switches configuration)
- Knowledge of server and desktop virtualization

### **What we offer:**

- A versatile interesting working environment in a traditional production company
- Working in the middle of a motivated and dynamic team
- A varied and responsible field of activity
- Remuneration in line with the market as well as good social benefits

Have we aroused your interest? Then send your complete application documents by e-mail to [jobs@sabo1845.ch](mailto:jobs@sabo1845.ch). The HR Manager, Ms. Emina Besic, will be happy to answer any questions you may have.

We are looking forward to your application !
